Without asking you to contribute a single penny more, we would like to point out a means by which we can immediately increase our income.

If you pay tax, you are paying your subscription using taxed money.

Being a registered charity, we can claim back some of the tax you have already paid - provided that you sign the Gift Aid Declaration below.

This will not cost you any more but will increase the value of your subscription.

If you wish to pay by standing order, please see the Bankers Order form.
